Live Lent 2020

Wed 26th February – Sat 11th April

Many churches use the period of the year called Lent as a time for reflection.

Before the solemnity of Good Friday and the glory of the resurrection on Easter Day, Christians have the opportunity to remember Christ's withdrawal into the desert for forty days. During these 40 days (Mon-Sat each week!) we take time to turn, seek God and to re-evaluate life with His perspective.

This year the **#LiveLent resources** encourage us to think about the amazing gift of God's creation and how we can care for it better. You can download the #LiveLent app with daily readings and reflections (or sign-up for a daily email)

www.churchofengland.org/livelent

All families will be receiving the #LiveLent booklet with a bible passage and a prayer for each week and a simple challenge for each day to help us about – pick one up from your Sunday groups or contact sam.tandy@christchurchwgc.org.uk.

Want a more in-depth reflection? The materials are all based on **Ruth Valerio's book "Saying Yes to Life"** - a series of reflections for Lent published by SPCK. It's well worth getting a copy – it comes in a day and has a series of challenges related to the six days of creation in the key areas of climate change and creation care.

See the "Lent Green Corner" of the notice sheet each week which you will be able to follow.
