Hello you wonderful young people and welcome to Youth @ Home!

I know you'll be missing my face this morning so here it is...

And I know normally we're eating at this point. So have some virtual snacks...(or maybe grab an actual one!)

Right, now we've worked on the essentials, let's get going...

In light of our current situation we are running our youth work online. I hope by now you know how important your input is to us as a team, so please drop me a text on 07754252723 or an email at beckah.cronin@christchurchwgc.org.uk or a DM to @CCWGCYouth with any feedback, ideas or questions – would love to chat more!

For the next few weeks we will be following along with the adults and the wider church. The idea being that you can take part in church at home with your families and keep chatting through the subjects. Equally, if you'd rather do this on your own as a self-reflection that's cool too. But please do plug in where you can!

Here we go...

Riddle of the week

Each week we will be having a riddle/question of the week. If you can text me the right answer (no cheating - God knows!) by the end of Sunday, you will be entered in our riddle/question of the week draw where you can win loads of prizes. The winner will be revealed in next week's online session.

It belongs to you, but I use it more than you ... what is it?

Listen

Grab a cuppa, a coffee or a squash. Join your parents and listen to this week's video on Proverbs 31. It's available on the website.

Questions

Beckah is available between 11am and 12pm today to chat through some of your answers on Whatsapp or text.

Year 6-9

- Which of the 4 characters (Hard working, Generous giving, Wise Speaking, God fearing) do you find the easier to be? Which do you find the hardest?
- Can you think of any examples of other people in the bible who showed these characters? What happened?

Year 9-13

- Which of the 4 characters (Hard working, Generous giving, Wise Speaking, God fearing) do you find the easier to be? Which do you find the hardest?
- What practical ways can you embody these characteristics in the current 'crisis'? Who might you reach out to and how?

Response

- It's mother's day - why not rewrite Proverbs 31 about an inspirational woman in your life and gift it to them? That and help with the washing up!
- All week on our Instagram (@CCWGCYouth) we will be looking at some inspirational teenagers. Why not join us over there too?

Stay safe and wash those hands!
